CLASS OF 2009

Spirited Warriors standing
tall in the bleachers of
Every event, leading King

Never folding, never losing
hope, never losing faith

In our 4 years we have

Onward we push,
cherishing our memories
Riding into the future on a

Lindsey Messier

We began our lives together
On the second of July
You looked up and smiled at me
Your pink bow lips said hi!

Days became months
As time flew by fast
I nicknamed you Blondie
As your hair grew at last.

Dresses pink and purple
Were the only choices you made
You sang and danced to music
That Barney and friends played.

Soccer, softball, basketball
Brought Nike and Adidas
Sneakers, balls and cleats
Replaced dresses no longer needed.

Over the years we have bravely
Conquered hard times together
This has taught us both
That life is not forever.

So now the time has come
For my precious girl to leave
To reach as high as possible
For each and every dream.

I love you Lindsey...

GOING OUT OF BUSINESS

Many retailers are forced to file for bankruptcy or go out of business after being unable to rebound from the harsh economy and a very disappointing fourth quarter of 2008.

The world's "hot spots" center around the Middle East. Israel mounts a major offensive against Hamas in Gaza, the United States continues to oppose the Taliban in Afghanistan and insurgents in Iraq, and in August, Russia attacks its southern neighbor, Georgia, in a dispute over western influence in the area.

In January 2009, after both engines fail due to ingesting birds, US Airways Flight 1549 ditches in New York's Hudson River. All 155 passengers and crew members are saved, thanks to the skill and courage of pilot Chesley B. "Sully" Sullenberger.
